

### Covid – 19 Sensitization Project

Médecins Sans Frontières welcomes you to their new action "Covid - 19 Sensitization Project", in order to facilitate the access of the vulnerable population living in the urban area of Athens, regardless of legal documents, to the vaccination against the SARS-Cov-2 virus.

More specifically, the action will include:

A. information through street work info sessions from health promoters for population that speaks Arabic, Farsi / Dari, French and Urdu.

B. social service which will be located within the registration center at 58-60 Aristotelous Street, 10433 (Victoria Square), with the aim of facilitating the access of beneficiaries to the vaccination against COVID-19.

The operation of the above project starts on 16/08/2021, where the beneficiaries will be able to contact for more information daily to the following:
