

# Don't you wish for the COVID-19 pandemic to go away?

If we want really to go back to a pre-pandemic lifestyle, we need at least 70% of the population to be immune to keep the rate of infection down.

**Be an active participant in social recovery, get the vaccine and see your photo on the Refugee.Info Facebook page**

1. Register and get vaccinated
2. Share your picture after taking the COVID-19 vaccine and give us a thumbs up sign
3. Post the picture on Facebook or Instagram, add the hashtag **#vaccinationdone** in your post.

In the upcoming weeks,

**Refugee.Info Facebook page will be sharing your posts**

to inspire more and more people to be vaccinated and be a part of humanity's efforts to put an end to this pandemic!
