

Teachers' Schedule

We made this plan to help you! - If it doesn't work for you, you can always just call/Whatsapp/Viber us at +306974336906 or email us at scienceunitedproject@gmail.com

<https://scienceunitedfestival.com/>

| Step | Task | Deadline | How is it going | Details | Links | Your Comments |
|------|---|------------------------------------|-----------------|--|--|---------------|
| 1 | Introduce the Festival to your students | ASAP | | You can use last year's projects and the video teaser | Festival Video teaser | |
| 2 | Consent forms | The sooner, the better! | | The sooner we get this, the sooner we will make your certificates. Please send them scanned in pdf or photos to scienceunitedproject@gmail.com | Consent forms will be sent to you when you are accepted at the Festival. | |
| | Watch mentor videos with your students | Before the Festival | | Please document your students' questions for the meeting with the mentors | Find mentor videos here | |
| 3 | Decide on your team's name with your students | The sooner, the better! | | Please write your team's name on the Your comments column- The sooner we get this and the consent forms, the sooner we will make your certificates | | |
| | Register at Science United Festival website | | | This way you can exchange encouraging comments while you watch each other's videos during the Festival and also access the webinars and materials for teachers. | Registration link will be sent to you when you are accepted at the Festival. | |
| | Child protection webinar | Before the Festival | | Get informed on our Child Protection Policy and also watch the webinar available at the Festival website after you register. | Link to website resources (needs your login - after you have registered) | |
| 4 | Child protection quiz | Before the Festival | | Please complete, so we know you are informed on our child protection policy. | Quiz will be sent to you when you are accepted at the Festival. | |
| | Plan your science project, start working on project and recording for your video with your students | The sooner, the better! | | Participate in meetings and trainings. Use the resources at the website. Reach out for our support! | Link to website resources (needs your login - after you have registered) | |
| 5 | Draw/Design your teams flag with your students | April 25th | | Make your flag square or round! -The sooner we get this, the sooner we will make your certificates | | |
| | Write a paragraph describing your team | April 25th | | Please send us your team description as an email. You can use emojis as well! | | |
| 6 | Send us your team's project video - up to 5min! | April 25th - please don't be late! | | Make sure your school/organization approves your video before sending it. Please don't be late, there is a lot of work to upload all student projects on the Festival website. You can use Wetransfer or any other tool that works for you. | | |
| | Watch other teams videos and comment! | May 13-31 | | During the Festival, on May 13-31 2024, the teams will watch each other's videos and exchange comments, learning with each other, and from each other. | You need to login at the Festival website! | |
